

Audrey M. Dorélien

University of Minnesota
Humphrey School of Public Affairs
301 19th Ave S
Minneapolis, MN 55455

Email: dorelien@umn.edu
Office: 234 HHH

EMPLOYMENT

- 2014-present Assistant Professor of Public Affairs, University of Minnesota
Faculty Member of Minnesota Population Center, University of Minnesota
- 2012-2014 Robert Wood Johnson Foundation Health & Society Scholar and Postdoctoral
Fellow Affiliate in the Population Studies Center at the University of Michigan.
- 2008 Bixby Intern in the Population-Health-Environment Program at the
Population Reference Bureau, Washington DC
- 2007 Fellow, Community Enterprise Solutions, Antigua, Guatemala
- 2004-2006 Senior Consultant, CompassLexecon an FTI Company, Cambridge, MA

EDUCATION

- 2012 Ph.D. Public Affairs, Office of Population Research and
Woodrow Wilson School of Public and International Affairs, Princeton University
Dissertation Title: Birth Seasonality in Sub-Saharan Africa: Its Determinants and
Implications for Child Health.
Committee: Bryan Grenfell (chair), German Rodriguez, Deborah Balk, and Adel
Mahmoud
Examinations:
Demographic Theory and Methods (Thomas Espenshade and German Rodriguez);
Infectious Disease and Ecosystem System Structure (Burton Singer and Adel
Mahmoud)
- 2004 B.A. Economics and Biology, Swarthmore College (Honors)
- 2002 Study abroad, Internship in Francophone Europe, Paris, France

ADDITIONAL TRAINING

- 2013 Responsible Conduct of Research Training, University of Michigan School of
Public Health
- 2012 Population Health Course, University of Michigan School of Public Health

- 2011 Global Assessment and Monitoring Using Remote Sensing Course, Columbia University
- 2011 Genetics and Disease Control Workshop, DIMACS/MBI US-African Biomathematics Initiative
- 2011 Ecology of Infectious Disease Modeling and Data Analysis Workshop Sponsored by Department of Biology, Colorado State University
- 2008 Environmental Demography Summer Short Course, University of Colorado, Population Center

SCHOLARLY ARTICLES AND BOOK CHAPTERS

In Publication and Forthcoming

Audrey M. Dorélien. 2016. "Birth seasonality in sub-Saharan Africa." *Demographic Research* 34(27), 761-796.

Work Under Review and In Progress

Kathryn Grace, Frank Davenport, and Audrey M. Dorélien. " Investigating the linkages between pregnancy outcomes and climate in sub-Saharan Africa." *Under Review*

Audrey M. Dorélien and Hongwei Xu. “Estimating rural urban disparities in self-rated health in China: Impact of choice of urban definition and reporting heterogeneity.” *Under Review*

Audrey M. Dorélien “Risks of in-utero exposure to seasonal influenza on fetal and infant outcomes in the United States.” *Under Review*

Audrey M. Dorélien and Emilio Zagheni. "Economic Shocks, Seasonal Patterns and the Spread of Close-Contact Infectious Diseases in the US: Evidence from Time Use Data." *In Preparation (accepted for PAA 2017 conference)*

Audrey M. Dorélien, Ann Bolgrien, and et al. “Demography and migration patterns of residents in four urban slums in Port-au-Prince, Haiti.” *In Preparation*

Megan Todd, Audrey M. Dorélien, and Hongwei Xu. "Self-Rated Health: How Important are our Methodological Choices?" *In Preparation*

Audrey Dorélien. “Seasonal birth patterns differ by socio-demographic characteristics in sub-Saharan Africa.” *In Preparation*

Audrey Dorélien. “Analysis of Temporary Protected Status for Natural Disasters.” *In Preparation*

AWARDS, FELLOWSHIPS & GRANTS

- | | |
|-----------|---|
| 2017 | Minnesota Population Center Proposal Development Mentorship Grant. |
| 2015-2016 | NIH Fogarty 3D43TW009606-03S1, Demography and Population Health Training and Research Project Supplement Grant (\$50,000). Dorelien is a co-investigator on this grant. |
| 2013-2014 | Robert Wood Johnson Foundation Health and Society Scholars Program Research Seed Grant (\$15,000) for project on “Impact of infectious diseases on population health” |
| 2012-2014 | Robert Wood Johnson Foundation Health and Society Scholar, University of Michigan (\$192,100 for salary, travel, relocation, computing, and research) |

- 2011-2012 Grant to hold interdisciplinary seminar series, Global Health Program, Office of Population Research, Ecology and Evolutionary Biology, Princeton University (\$6,000)
- 2011 Travel Grant to Genetics and Disease Control Workshop, NSF
- 2011 Travel Grant to Ecology of Infectious Disease Modeling and Data Analysis Workshop
- 2011 Best Poster Prize, Population Association of America Annual Meeting
- 2010 Patrice Y. Johnson Memorial Service Award, Assoc. of Black Princeton Alumni
- 2008 National Science Foundation Pre-doctoral Fellowship Honorable Mention
- 2007-2012 Travel Grant, Office of Population Research and Graduate School, Princeton University (various years)
- 2007-2012 Princeton University Graduate Fellowship

CONFERENCE & INVITED PRESENTATIONS

- 2017 “Economic Shocks, Seasonal Patterns and the Spread of Close-Contact Infectious Diseases in the United States: Evidence from Time Use Data.” Poster presented at Population Association of America 2017 Annual Conference, Chicago, April 27-29
- “The Stress of Keeping up with the Wangs: Do Psychosocial Factors Mediate the Association Between Subjective Social Status and Health?” Poster presented at Population Association of America 2017 Annual Conference, Chicago, April 27-29
- 2016 Effects of In-Utero Exposure to Seasonal Influenza on Fetal and Infant Outcomes in the United States. Invited talk at University of California, Berkeley, April 20
- 2015 “Seasonal Patterns in Child Health: the Roles of Social & Environmental Factors.” Invited talk at University of Washington Center for the Study of Demography and Ecology (CSDE), October 30
- 2015 Discussant for “Session 207: Early Life Health and Mortality in the Developing World.” Population Association of America 2015 Annual Conference, San Diego, April 30 – May 2
- 2015 “Effects of In-Utero Exposure to Seasonal Influenza on Fetal and Infant Outcomes in the United States, 1989-2004” Poster presented at Population Association of America 2015 Annual Conference, San Diego, April 30 – May 2

- 2014 “Effect of in-utero exposure to seasonal influenza on fetal and infant outcomes in the United States, 1989-2004.” Robert Wood Johnson Foundation Health and Society Program Meeting, Detroit, May 2014
- 2014 Discussant for “Session 221: Population and Environment II.” Population Association of America 2014 Annual Conference, Boston, May 2014
- 2013 “The relationship between birth month and child health and survival in sub-Saharan Africa.” International Union for the Scientific Study of Population, Busan, South Korea, Aug. 2013
- 2013 “Effect of in-utero exposure to seasonal influenza on fetal and infant outcomes in the United States, 1989-2004.” Robert Wood Johnson Foundation Health and Society Program Meeting, San Diego, May 2013
- 2013 “The relationship between birth month and child health and survival in sub-Saharan Africa.” Population Association of America Annual Meeting, New Orleans, LA, Apr. 2013
- 2013 “The impact of birth seasonality on dynamics of acute immunizing infections in sub-Saharan Africa.” Population Association of America Annual Meeting, New Orleans, LA, Apr. 2013
- 2012 “Social and Ecological Drivers of Birth Seasonality in Sub-Saharan Africa.” Poster presentation at Population Association of America Annual Meeting, San Francisco, CA, May 2012
- 2011 “Social and Ecological Drivers of Birth Seasonality in Sub-Saharan Africa.” Union for African Population Studies, Ouagadougou, Burkina Faso, Dec. 2011
- 2011 “Birth month and Child Health and Survival in sub-Saharan Africa.” Union for African Population Studies, Ouagadougou, Burkina Faso, Dec. 2011
- 2011 “Birth Seasonality and Disease Dynamics in Sub-Saharan Africa.” DIMACS Center for Discrete Mathematics & Theoretical Computer Science, Elmina, Ghana, Aug. 2011
- 2011 “Birth Seasonality in sub-Saharan Africa.” Poster presentation at Population Association of America Annual Meeting, Washington, DC, Mar.-Apr. 2011
- 2010 “Conceptualizing and Measuring Urban Locations: Comparing a satellite view with the Demographic & Health Surveys.” Population Association of America, Dallas, TX, Apr. 2010
- 2010 “Analysis of Temporary Protected Status for Environmental Disasters: How much protection is provided and why do some countries receive TPS designation and

others do not?” Symposium in Honor of Black History Month, Princeton University, Mar. 2010

2009 Discussant for Session 64: “Spatial Approaches to Understanding Inequality in Health and Poverty.” International Union for the Scientific Study of Population, Marrakesh, Morocco, Sep.-Oct. 2009

TEACHING EXPERIENCE

University of Minnesota

Fall 2015/16 Economics for Policy Analysis and Planning I (Microeconomics)

Fall 2015/16 Global & US Perspectives on Health & Mortality

Spring 2016 Introductory Data Visualization: Telling Stories with Numbers

Fall 2015 Advanced Data Visualization: Telling Stories with Numbers

Fall 2014 Data Visualization: Telling Stories with Numbers

Fall 2014 Global & US Perspectives on Health & Mortality

Princeton University Assistant in Instruction

Fall 2011 Disease Ecology, Economics, and Public Policy (Professors Ramanan

Spring 2009 Laxminarayan and Bryan Grenfell)

Spring 2010 Epidemiology (Professor Anne Andermann)

Fall 2009

Volunteer Tutor/Instructor

2007 Assistant English teacher, Escuela Javier Alonso Sayles Vargas, Ahome, Mexico

SERVICE & ACTIVITIES

2016-2017 Session organizer for 2017 Population Association of America (PAA) conference

2016-present Member of NASA Socioeconomic Data and Applications Center (SEDAC) User Working Group (UWG)

2016-present IPUMS Demographic Health Surveys advisory board member

2015-2017 Co-coordinator of Minnesota Population Center’s Inequality & Methods Workshop

2016 Co-coordinator of Population Association of America pre-conference Data Visualization Workshop

2015-2016 Member of Women Gender and Public Policy Center Director Search Committee

- 2014-2015 Population Association of America 2015 Conference Program Committee: Population, Development, and the Environment topic chair.
- 2012 Co-convenor of seminar series “Research at the Interface of Economics, Ecology, and Health.” Princeton University
- 2011-2012 Residential Graduate Student, Butler College, Princeton University
- 2009-2010 Diversity Fellow, Office of Associate Dean of Academic Affairs and Diversity, Princeton University
- 2010 Global Crisis Committee (formerly Haiti Earthquake Response Committee), Princeton University
- 2008-2010 President of the Black Graduate Caucus, Princeton University
- 2007-2008 Black Graduate Caucus Representative to Graduate Student Council, Princeton University
- 2008 PhD Representative to the Woodrow Wilson School Action Committee, Princeton University

Invited Peer Reviewer

- Biodemography and Social Biology; Demography; Annals of Epidemiology; PLOSOne; Population Studies; Population & Environment; Population Health Metrics; Proceedings of the Royal Society B: Biological Sciences; Journal of Water and Health; Environmental Practice

Professional Memberships

Population Association of America (PAA), International Union for the Scientific Study of Population (IUSSP), Population Environment Research Network (PERN)
